

Lustre Photo Duo

GLPD

The ILFORD GALERIE Lustre Photo Duo is perfect for rendered colours, outstanding details and extreme resistance to dirt and fingerprints. This paper is printable on both sides and offers particularly creative options for personal albums and photo books, professional portfolios and high quality booklets. With neutral, bright white colouring it boasts optimum contrast, high maximum densities and deep, rich blacks. It offers considerably superior flatness compared to conventional double-sided papers on the market and possesses high opacity and stiffness.

FEATURES

- Semiglossy surface
- Duo media for 2-side printouts
- Excellent color gamut

PRINTER & INK COMPATIBILITY

Designed for use with both desktop and wide format inkjet printer systems using either aqueous dye or pigment inks from major manufacturers.

Weight	330gsm
Opacity	99%
Caliper	270 Micron (11 mil)
Tint	93,5 1,2 -8,3
OBA Content	YES
Acid Free	NO
Additional Information	

HANDLING TIPS

Finished prints should be interleaved and stored carefully to prevent scratching. FineArt paper prints are typically more delicate than conventional resin coated (RC) papers such as Pearl, Glossy, Lustre surfaces and should be handled with additional care. Before printing please check that there are no loose paper fibres or debris on the media surface as this may lead to print errors. As with any FineArt media using raw paper it is possible that some debris may exist.

ILFORD have taken great care to ensure that in general our papers are free from loose paper fibres, but please check before you make the final print. Cotton gloves are recommended to avoid contaminants getting onto the surface.

STORAGE

It is recommended that you store your paper in the original product packaging/boxes. Products must be stored in a cool, dry environment away from direct sunlight. Optimal storage and Operating conditions are 15–25°C, 35–65% relative humidity, non-condensing.

AVAILABILITY

Available in sheets and rolls. For more details please see the product page on www.ilford.com.
