Premiere at the Tourism Fair Fotohaven Hamburg with Adobe, Eizo and XRite

ILFORD Imaging Europe, Bergisch Gladbach/Germany, February 2020

Iford and Tecco invite to the premiere of their event series at the tourism fair Fotohaven (Hamburg, February 5th-09th) at their booth in hall B2.EG/225.

Together with its partners Adobe, Eizo and XRite, it will be starting the 2020 Tour for Germany, Austria and Switzerland. The addressed target groups: Professional photographers, ambitious photographers, artists, designers, graphic artists and photo enthusiasts. Visitors will have access to experts from the leading exhibiting companies who will answer questions on current topics and challenges.

In Focus

The event will focus on inkjet papers and FineArt Printing Solutions.

Completed by

Software - Image processing and image archiving with Adobe and XRite.

Hardware - Ideal, visual representation through hardware calibrated monitors from Eizo.

Hardware - Perfect colour control with powerful measuring instruments from XRite.

Hardware - Current printing systems from Canon and Epson.

New: Analogue Print

With the slogan „Monochrome Printing Solutions“, Iford will present its components for the „Platinum Paladium Print“ process in Hamburg. From the coating solution to the processing chemicals and special paper, everything is available from a single source. For photographers who do not have large-format negatives, Iford will be presenting its new digital film, a transparent polyester film that is printed with standard inkjet printers.

Image Presentation: Iford Frames

All prints, analogue and digital, will be presented in the new Iford Frames. Available in A4, A3 and A3+, they are delivered with a self-adhesive board. The artist can apply his print on the board and enhance his image statement with the selected paper surface.
